

CHRIST IS RISEN

Mike Hohnholz, Graham Doughty, Aaron Sternke

1

G **C**
The sting of death is gone, the power of sin has lost
D **G/B** **C**
Defeated by the blood of Jesus
G **C**
A light in darkness shines, a hope for all mankind
D **G/B** **C**
And now we sing our songs of freedom

Chorus

Gsus **G** **Em**
Christ is risen, the grave is empty
D **Gsus** **G**
And now He lives in you and me for the world to see
Gsus **G** **Em**
We're forgiven, O what mercy
D **C** **Gsus** **G**
And now we're living for the glory of the King

2

G **C**
Our rescuer has come, redeeming hopeless ones
D **G/B** **C**
Breaking chains and bringing freedom
G **C**
Because of His great love, we'll go and tell the world
D **G/B** **C**
Of all the hope that we've been given

Bridge

D **C** **D** **C**
How beautiful, are the feet of those
G
Who bring good news
D **C** **D** **C**
We'll tell the world, we'll tell the world
